Rowperfect Club sponsorship

Rowperfect has been supporting rowing clubs since 2009 with its '*club sponsorship programme*'.   This is your chance to get your club onto the list – read on…

<u>What is the Rowing Club Sponsorship Programme?</u>
Rowing clubs buy equipment, run regattas and teach rowing and sculling. Rowperfect supports these efforts in three ways

1. We **sell rowing equipment** at a discount to sponsored clubs

2. We **train your coaches** and provide tips on ways to run a successful club

3. We **are experts in rowing education** advice on how to teach rowing and sculling and how to learn to coach sport

Clubs are our lifeblood – without you we wouldn't have a business. We know how hard it is to organise, run and finance a community sports club and we want to be supportive and also beneficial for you.

<u>What does my club have to do?</u>
The 'deal' is this:

1. your website displays our logo and the words *"Supported by Rowperfect - members get a 5% discount - ask [insert name of your contact] how."* and a link to our home page.

2. we give you an unique discount code worth 5% off anything in our shop

3. any club member can use the discount for personal or club use

4. it lasts a year and is renewed in October annually. You have to confirm renewal

5. (optional) you can join our newsletter list and receive ongoing tips and advice from top coaches on ways to improve your rowing, sculling, coxing and coaching.

Ready to join?

Fill in this form

Name of Club

Website URL

Name of Contact

Email address

Phone number

Yes I'd like   *[name of club]*

to join the Rowperfect sponsored clubs programme.

I agree to display the Rowperfect logo and a link back on our home page, to tell our membership about the club discount code and special offers.

I understand that I will be contacted in October each year and that I have to reply to confirm renewal.
