## **SURVEY**

1. What comparable equipment do you usually use (if any)
  
2. How long / how many outings did you do?

3. What were your first impressions?
4. When you did your first outing was it easy to use? And if it was not easy, what did you find hard or not intuitive?
5. Did you do any tests to compare to your previous equipment? (e.g. sound quality, speed or distance measurement). And what did the tests show? (please quote numbers if possible).
6. What did the coach think?
7. What did the athletes / cox think?

8. Anything else you want to tell us that could help us improve our service or product range?
