

Cambridge University Women's Boat Club **wishes to appoint a Full-time Chief Coach to start in Autumn 2012**

CUWBC produces three Boat Race crews each year to race at the Henley Boat Races and runs year-round development and performance programmes.

From 2015, as a result of sponsorship from Newton Asset Management, the Oxford and Cambridge Women's Boat Race will move to the Tideway to race alongside the Men's Boat Race. The new Chief Coach will be critical to a successful transition

and the development of a centre of excellence for women's high performance rowing in both openweight and lightweight events within the university environment.

Applications are invited from those with experience of coaching athletes to international level; the Chief Coach will manage a group of volunteer and professional coaches and oversee the selection and training of all

athletes. Based at Goldie Boat House in Cambridge and at Ely he/she will liaise closely with the chief coach of CUBC.

Details and an application pack may be obtained by emailing: applications@cuwbc.org

The closing date for applications is 13th July 2012.
