

Space Saver Oar Racks

by Space Saver Rowing Systems

Would you like to store your oars this efficiently and safely NOW?

- > Maximise Space
- > Extend the life of your oars
- > Easy to use
- > Save \$\$ in maintenance costs

Space Saver Oar Brackets hold 16 rowing or sculling oars that you and your rowers can retrieve easily now - any oar, any position, any time.

You can now see at a glance if all your oars have been returned to the boathouse before locking up for the morning.

A boathouse pack will store 64 oars in an efficient 2m x 1.2m wall space. The footprint of each bracket is no larger than the width of a rowing or scull blade by 1m.

Tech Specs:

Size: 220 x 890 x 300mm

Weight: 5kg

Material: 3mm Aluminium

Colour: Red - other colours extra on request

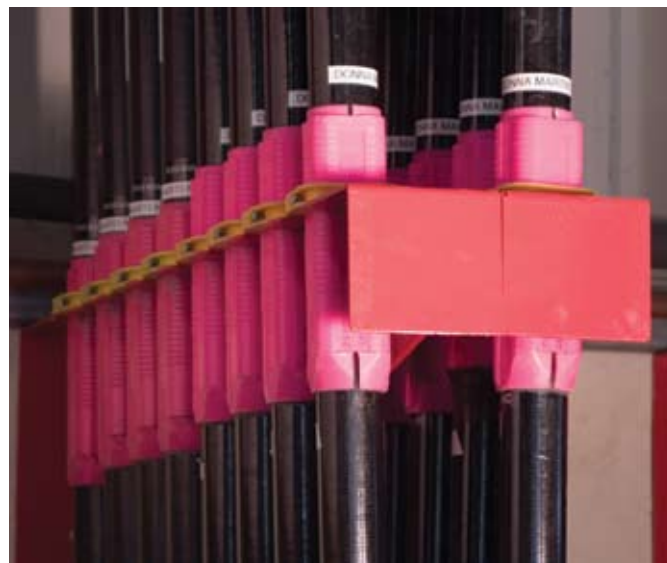

Registered Design No.: 152333
